- Entrepreneurship
- Business Start-up
- Enterprise Skills
- Legal Issues
- Professional Development
- Presentation
- Self-Promotion
- Portfolio

"A succinct & highly practical course full of information you'd normally spend years trying to gather for yourself. It's a real head start. Thanks."

— Yasmin Tukmachi

"Alison Branagan's course has been an invaluable source of knowledge & has given me the confidence to make my business succeed!"

— Paul Chisholm

"A fabulous course, which I would recommend to anyone wishing to succeed as a creative person. You are incredibly generous with your knowledge. Thank you for a fantastic week."

— Daphne Day

"Alison's workshops are a wealth of information & presented in an interesting way. I've had my own business for five years & have still learned so much."

— Stephen Hall

"Entrepreneurship for Creatives is unmissable! The best course of the year!"

— Christopher Reinke
Cyclopz Design

"Alison's enthusiasm is really encouraging & I actually enjoyed learning about Tax & accounting! The course is very thorough & a good kick-start for anyone who has been thinking of starting up a business, but hasn't actually got around to it. I am pleased to say I have now set up my own photography business."
